

The Blinded Veteran Computer Users Conference Call is a way for all Blinded Veterans using computer to share information on the computers that assist in making our lives easier. Whether a Blinded Veteran is using a screen magnification software or a screen reading software, the conference call allows participants to ask questions on and receive answers on their adaptive software. In addition, Blinded Veterans are also asked to share information on new adaptive software or devices that enhance their overall computer usefulness.

The conference call takes place on the first Thursday of the month with exception to Federal Holidays. The conference call begins at 10:00 a.m. and concludes at 11:20 a.m., Central Standard Time Zone. The dial in phone number is 1-800-767-1750 and the access code is 44125. Participants are asked to start entering the conference room at 9:50 a.m. so we may begin promptly at 10:00 a.m.
